 - Be visible under the **Medilink UK branding**
-

WWW.MED-TECHEXPO-UK.COM

Med-Tech Innovation Expo is the Medical Technology event; it is the UK and Ireland's leading showcase for medical design and manufacturing technology.

The Expo brings together the medical engineering and manufacturing community; 200+ companies from all areas of the medical device supply chain. The Expo attracts over 4,000 visitors across the busy 2 day event.

Join the Expo to be part of the show floor which demonstrates an entire spectrum of advanced technology, materials and solutions.
